

**Identification** $(C_6H_{10}O_5)_n$ 

CAS [9005-84-9]

EC number: 232-686-4

Taric code: 3505 10 90

**Synonyms**

Amylum solution, Potato starch solution

**Applications**

analytical chemistry, indicator (iodometric analyses).

**Specifications**

sensitivity as indicator in iodometry..... passes test

store below room temperature

Avoid exposure to light

**Transport/storage**

• 15°C - 25°C
