

HE0060

Technical Data Sheet

Hematoxylin, according to Harris

### Identification

$C_{16}H_{14}O_6$

Taric code: 3203 00 19

### Applications

for cytology.

### Specifications

Suitable for Papanicolaou stain

### Physical data

- Density: 1,075 g/cm<sup>3</sup>
- Solub. in water: miscible

### Transport/storage

- 10°C - 30°C
